14.
g. Kurt LEHR. [] took up the matter of Kurt LEHR, on whom a cabled query had been received from [] 228, 6 February 1958). This matter is reported separately in EGFA-20680, 4 March 1958, and was cabled in FRGB-0020, 3 March 1958.

f. UPSWING Interest in Foreign Police Training. As a follow-up of the query on Kurt LEHR in Tunisia (see para 3 e. above) [] asked whether UPSWING is negotiating to participate in the training of foreign policemen by the Federal Police. CARAVEL said that UPSWING's relations with the Federal Police are excellent and that a number of UPSWING officers have received training at the Federal Police school, particularly in surveillance and in laboratory techniques, and that UPSWING brings many technical analysis problems to the BKA laboratory, but that he is aware of no attempt to exploit foreign police officials studying at the school.

c. Kurt LEHR. CARAVEL seems intrigued by the query on Kurt LEHR put to him at the last meeting, (see EGFA-20680, 4 March 1958) and asked for further details that [] was unable to provide. He cannot believe that any such approach could have been made in Tunis without his knowledge. He will investigate further.

e. Kurt LEHR. CARAVEL was still worrying about the report of the alleged German police official Kurt LEHR, and said that if such a man were in Tunisia either he or Kurt *AMEND, (born 2 December 1904 in Berlin), Chief of Abteilung Zentralfahndung, would know of it.
